RE: 2025 Septic Installer Registration for Carroll County

Enclosed is the application to register or renew your Installer Registration for **2025**. The fee to register as an Installer is \$276.00. Installers must be registered before they can install or alter sewage treatment systems in Carroll County. If an installer continues to work in Carroll County in 2025 prior to becoming registered, there will be a penalty fee of **25%** of the registration fee. Due to fee changes, payment **cannot** be accepted before December 30, 2024.

To complete your registration, the following information must be submitted to our office:

- Completed Application and Fee
- Proof of compliance with the Ohio Department of Health 2015 testing requirement
- Proof of General Liability Insurance & Power of Attorney
- Proof of Surety Bond*
- Copy of all CE's earned in 2024 (minimum of six hours)
- Proof of compliance with any system specific training, qualifications, or certification required as a condition of a system's approval by the director
- Any outstanding documentation needed by our office

Included in this packet is the Sewage Treatment System Contractor Registration Fact Sheet to guide you on where to send bond information. *Additionally, the Ohio Department of Health's (ODH) 2025 Sewage Installer Bond Form and 2025 Contractor Contact Information Sheet is included for convenience. Please send a copy of the items sent to the ODH to our department, along with the items listed above with your completed application.

Please mail application and check to:

Carroll County General Health District P.O. Box 98 Carrollton, OH 44615

Attention: Corinne Rogers

Any open permits that are missing required documentation for 2024 may impact your ability to register for the 2025 registration period. If we are missing documents, you will receive an email referencing what is needed. Please call with any questions or concerns at 330-627-4866 ext. #1522, Monday through Friday from 8:00 am to 4:00 pm.

Sincerely,

Corinne Rogers, Registrar Environmental Health Administrative Assistant

INSTRUCTIONS TO BONDING COMPANY FOR EXECUTION OF THE 2025 SEWAGE TREATMENT SYSTEM INSTALLER, SERVICE PROVIDER, AND SEPTAGE HAULER REGISTRATION BOND

General Information

- All sewage treatment system installers, service providers and septage haulers must use the State of Ohio Registration Bond Form as per the requirements for contractor bonding in Ohio Administrative Code (OAC) rule 3701-29-03(C)(6), except as permissible in rule OAC 3701-29-03(G) and (H).
- The 2025 Sewage Treatment System Registration Bonds for installers, service providers, and septage
 haulers are available in a PDF format on the ODH website at:
 https://odh.ohio.gov/wps/portal/gov/odh/know-our-programs/sewage-treatment-systems/INFORMATION-FOR-CONTRACTORS or by contacting the Ohio Department of Health Residential Sewage Program at
 Sewage@odh.ohio.gov
- All information on the bond form must be complete and correct.
- Please follow the instructions below, and submit all documents listed in item #10.
 - THE REGISTRATION BOND MUST BE FOR THE AMOUNT required in OAC rule 3701-29-03(C)(6)(e). (see Table 1 below)

OAC rule 3701-29-03(C)(6)(e) Table 1. Contractor bonding requirements.

Completing the Form

The bond form may be completed in two ways. You may print the blank form and fill in the lines by hand with a blue or black pen, or, if available, you may fill in the form using Adobe Acrobat Reader to open, complete, save and print the form by clicking on the print button.

- 1. Fill in the bond number on the line provided in the upper left-hand corner of the bond form.
- 2. Fill in the legal company name and address of the company applying for the registration bond on the first, second and third lines exactly as it appears on the Local Health District registration application form as a sewage treatment system installer, service provider, or septage hauler.
- 3. List the name of the surety company on the line provided.
- 4. Check the box indicating the bond amount being provided on the appropriate bond form. Refer to the table above in the General Information.
- 5. Fill in the Bond Effective Date. This is the date the bond becomes effective for the 2025 calendar year, and it must be December 31, 2024, or later.
- 6. Fill in the information and signatures at the bottom of the bond:
 - a) Print the Legal Company name of the company applying for the bond. This item **must** match the Legal Company Name as it appears at the top of the bond
 - b) Printed name and original/electronic signature of the company owner or representative
 - c) Name and contact information of the surety company, including address and telephone number
 - d) Original/electronic signature of the Attorney-in-Fact
- 7. After completing the printed form by hand or printing the completed form from the computer, sign and date the form as required in the required Signature boxes found at the bottom of the bond. Signatures are either by hand using a blue or black pen or electronic.
- 8. Apply the seal (Paper or Electronic) of the Surety Company in the space provided on the bond form.
- 9. Attach the Power-of-Attorney form for the Attorney-in-Fact. The bond number on the Power-of-Attorney must match the surety bond number.
- 10. Mail or email the complete bond packet to the address below. **SUBMIT ORIGINALS ONLY.** Submissions must include:
 - 1. **2025 Registration Bond**, complete with original/electronic signatures and corporate seal (Electronic or paper seal)
 - 2. Power of Attorney (POA) for the 2025 Registration Bond.
 - 3. Sewage Contractor Contact Information Form.

Mail Bond Package to:
Ohio Department of Health
BEHRP/ Residential Sewage Program
246 N. High St.
Columbus, Ohio 43215-0278

The complete **bond package can also be emailed** to **SewageBonds@odh.ohio.gov**

Please allow up to thirty (30) days upon receipt of the surety bond(s) by the ODH Residential Sewage Program for bond(s) to be processed. The status of a bond submission can be checked by visiting the "Contractor Bond Lists" tab on the ODH Residential Sewage Program webpage at: https://odh.ohio.gov/wps/portal/gov/odh/know-our-programs/sewage-treatment-systems/INFORMATION-FOR-LHDS/

Sewage Treatment System Contractor Registration Fact Sheet

FOR INSTALLERS, SERVICE PROVIDERS, and SEPTAGE HAULERS

Registration

- Anyone performing duties of a sewage treatment system installer, service provider, or septage hauler shall be registered with each Local Health District where work is done in accordance with the requirements in rule 3701-29-03 of the Ohio Administrative Code.
- All registration applications must be complete. Completed registration applications must be submitted to the Local Health Districts where the contractor will be working. The application must include the following:
 - 1. Registration Application and Fee established by the local health district
 - 2. Proof of a passing score on the sewage rules test (see Testing Requirements below).
 - 3. Proof of compliance with any system specific training, qualification, or certification required as a condition of a system's approval by the director
 - 4. Proof of General Liability Insurance (minimum \$500,000)
 - 5. Beginning in 2016 for registration <u>renewal only</u> Proof of completion of six (6) continuing education hours during the previous calendar year.
 - 6. Proof of a Surety Bond (see page 2 for Surety Bond information)
 - 7. Any outstanding forms, permits, plans, service records, or other documentation for prior system work that have not been submitted to the local health districts.
 - 8. Any other required information from the local health district.
- Persons registering to install, provide service, or haul septage will not be registered until the local health district has reviewed, approved and processed the registration application. Submitting a registration application does not guarantee registration or immediate registration.
- Registration must be complete prior to conducting any work on a sewage treatment system. If you
 have not been contacted about the status of your registration, contact that local health district's sewage
 program prior to performing any work.

Contractor Testing Requirements

- All persons registering as a sewage treatment system installer, service provider, or septage hauler shall pass a test on the sewage treatment systems rules.
- The test is an open-book test with 75 questions. A copy of the sewage treatment systems rules will be provided at the test site if you do not have a copy. A minimum of 3 hours will be provided to take the open book test.
- The test will be available through three entities:
 - 1. Local Health Districts may choose to offer the test. Contact the local health district where you register to see if they proctor the test locally.
 - 2. The Operator Training of Ohio OTCO offers the STS contractor test online at no cost. The test and a download of the rules can be accessed from their website at (https://otco.org/sts-program)
 - 3. Ohio Department of Health, Bureau of Environmental Health, Residential Water and Sewage Program will proctor the test by appointment. Call 614-644-7551 to schedule a test date.
- A score of 75% is required for a passing score.
- A certificate will be provided upon passing the test. This certificate will be required to register.
- The primary registrant or a company representative must take the test. Additional testing will not be required, for additional registration years, once a passing score has been received.
- Please contact the Residential Water and Sewage Program at the Ohio Department of Health at (614)644-7551 if you need alternative accommodations to take the rules test.

Surety Bonds

- Separate surety bond forms are available for each category of registration. These forms and the
 instructions are available on the ODH Sewage Program website at:
 https://odh.ohio.gov/wps/portal/gov/odh/know-our-programs/sewage-treatment-systems/INFORMATION-FOR-CONTRACTORS/
 - The bond forms are:
 - HEA Form 5438 Service Providers Bond
 - HEA Form 5439 STS Installer Bond (for Multiple STS)
 - HEA Form 5440 Septage Hauler Bond
 - HEA Form 5448 STS Installer Bond Form for Single (1) Installation
- A surety bond must be submitted for each category of registration.

If you are an installer and a service provider then you must submit both an Installer Bond and Service Providers Bond.

- Follow the surety bond instruction document. If you have questions that cannot be answered from this document contact the ODH Sewage Program staff at 614-644-7551.
- The surety bond forms must be effective no earlier than the first day of January of each registration year and shall provide coverage no later than the last day of December of the same registration year.
- Once completed, send the surety bond form(s) with the original signatures, seal, and power-of-attorney to the Ohio Department of Health.
 - Prior to submitting surety bonds to the Ohio Department of Health, make copies of all documents for your records, and for each local health District where you register.
 - Send the following documents to the Ohio Department of Health:
 - o Registration Bond for Installers, Service Providers, and/or Septage Haulers
 - Corresponding power-of-attorney for each bond
 - Sewage Contractor Contact Information Form

MAIL ALL SURETY BOND DOCUMENTS TO:

Ohio Department of Health BEHRP/Residential Sewage Program 246 N. High St. Columbus, Ohio 43215

Continuing Education Unit (CE) Requirements

- Proof of continuing education is required at the time of registration <u>renewal</u>. New registrants are not required to provide proof of continuing education at the time of their initial registration.
- Six (6) hours of approved CE must be completed during the year prior to each registration renewal.
- The Ohio Department of Health posts lists of approved STS contractor continuing education on its
 website. Links to lists of approved in-person trainings and approved online distance learning can be
 found at the following link: https://odh.ohio.gov/wps/portal/gov/odh/know-our-programs/sewage-treatment-systems/INFORMATION-FOR-LHDS/
